I Know I Am , But What Are You?

by Samantha Bee

Correspondent for the Daily Show with Jon Stewart, Samantha Bee, tells all in this collection of humorous personal essays. She covers the gamut from how she performed in children's theatre, worked odd jobs, participated in various teenage escapades, and more. She was raised by eccentric parents and was taught by traditional nuns at a boarding school in Canada. As you might guess, Bee pokes fun of herself in this personal compilation. She details the nuances of her upbringing in her trademark satirical, yet funny style.
